program products for secure **firmware** updates

US Pat. 7069452 - Filed Jul 12, 2000 - International Business Machines Corporation

The **firmware update** could be provided to all cable routers and the rules could evaluate the MAC 40 addresses of the cable **router** to determine if the **update** ...

Methods, systems and computer program products for rule based **firmware** ...

US Pat. 6976163 - Filed Jul 12, 2000 - International Business Machines Corporation

The **firmware update** could be provided to all cable routers and the rules could evaluate the MAC addresses of the cable **router** to determine if the **update** was ...

firmware update router certificate

Patents

Patents 1 - 50 on remote firmware update. (0.12 seconds)

Automatic remote firmware upgrade Sort by relevance | Sort by date (new first) | Sort by date (old first)

US Pat. 6930785 - Filed Mar 17, 2000 - Hewlett-Packard Development Company, L.P.

If the **update** trigger parameter meets the **update** value, a trigger mechanism is adapted to actuate the auto- 50 matic **remote firmware update** mechanism to ...

Modem with firmware upgrade feature

US Pat. 6526092 - Filed Jan 6, 2000 - Multi-Tech Systems, Inc.

The **remote** PC then sets the max packet size according to the version number ...

However, for R&D or manufacturing purposes it may be necessary to **update** or ...

Modem with firmware upgrade feature

US Pat. 6341143 - Filed Jan 3, 1995 - Multi-Tech Systems, Inc.

The **remote** PC then sets the max packet size according to the version number ...

However, for R&D or manufacturing purposes it may be necessary to **update** or ...

System for secure controlled electronic memory updates via networks

US Pat. 6546492 - Filed Mar 26, 1999 - Ericsson Inc.

7 is for the scenario when the **update** server 28 only has one software/**firmware** level to transmit to any of the **remote** units 22. Under such a scenario, ...

Method and apparatus for configuring configurable equipment with ...

US Pat. 6725260 - Filed May 10, 2000 - L.V. Partners, L.P.

28A and 28B, there is illustrated a flowchart for the process for obtaining a **firmware update** by scanning an MRC 1606 of a document, in response to which ...

Method and apparatus for synchronizing firmware

US Pat. 6678741 - Filed Apr 9, 1999 - Sun Microsystems, Inc.

One such arrangement is that where a **remote** client computer station ... Problems may arise when a user attempts to install or **update firmware** on their ...

Remote maintenance method of an information processing apparatus

US Pat. 7007077 - Filed Sep 6, 2000 - Hitachi, Ltd.

Upon receiving the **firmware update** program acquisition request, the **remote** management server 20 checks whether the communications device identification ...

Method and apparatus of remotely updating firmware of a communication device

US Pat. 6640334 - Filed Sep 27, 1999 - Nortel Networks Limited

teaches a data modem with **remote firmware update** capabilities. According to Herb et al., the data modem is provided with a read only memory (ROM), ...

Automatic firmware version upgrade system

US Pat. 6971095 - Filed Feb 20, 2001 - Fujitsu Limited

The maintenance application 100 and the **firmware update** program 104 can be ...
a **remote** device control hardware 204 which receives a power supply (power ...

Hand-held video viewer and **remote** control device

US Pat. 6476825 - Filed Nov 12, 1999 - Clemens Croy

Also, the code for special or new functions may be loaded into the PTVN 200 for temporary or continuous use (software/**firmware update**). ...

Mechanism to safely perform system **firmware update** in logically partitioned ...

US Pat. 6834340 - Filed Mar 1, 2001 - International Business Machines Corporation

The data processing system as recited in claim, wherein the request to **update** the system **firmware** from the first logical partition is received from a **remote** ...

Method and apparatus for **remote update** of clients by a server via broadcast ...

US Pat. 6614804 - Filed Mar 22, 1999 - WEBTV Networks, Inc.

... be as complex as a new OS including entirely new or replacement **firmware**...
time will receive the software upgrade or content **update**, respectively. ...

High-end KVM switching system

US Pat. 6388658 - Filed Dec 2, 1999 - Cybex Computer Products Corp.

Remote Firmware Update Advantageously, all programmable electronic devices may be reprogrammed or updated from a **remote** location. ...

Redundant updatable self-booting **firmware**

US Pat. 6560703 - Filed Apr 18, 2000 - International Business Machines Corporation

In this case, a **firmware update** fault would result in a working boot sector, ...
be coupled to devices operated by the microprocessor 12, a **remote** bus 17, ...

Modem with **firmware** upgrade feature

US Pat. 6928108 - Filed Oct 10, 2001 - Multi-Tech Systems, Inc.

Next, the **remote** PC sends an ATI1 command. The ATI1 compares it to the checksum ...
... 11A is run in poses it may be necessary to **update** or reprogram the boot ...

System and method for performing **remote** BIOS updates

US Pat. 6732267 - Filed Sep 11, 2000 - Dell Products L.P.

According to one 45 embodiment, **remote** system 102 follows Intel IA-64 architecture, and partition 138 is an Extensible **Firmware** Interface (EFI) partition. ...

Automatic data collection device having a network communications capability

US Pat. 6539422 - Filed May 3, 1999 - Intermec IP Corp.

Thus, back up/restore, **firmware** upgrade, application installation and other ...
A **remote** system administrator, such as a system administrator at the **remote** ...

Method for collecting data using compact internetworked wireless integrated ...

US Pat. 6735630 - Filed Oct 4, 2000 - Sensoria Corporation

This WINS NG application permits **remote** scheduled, verified 25 upgrade and repair of digital system **firmware**. In addition to eliminating recalls that ...

Method and system for automatic **firmware** updates in a portable hand-held device

US Pat. 6754895 - Filed Apr 26, 2001 - Palm Source, Inc.

In this embodiment, an **update** application is transferred from a first PID 12 to

a second PID 14 in order to implement the automatic **firmware** updates. ...

Remote BIOS upgrade of an appliance server by rebooting from updated BIOS ...

US Pat. 6594757 - Filed Feb 25, 2000 - Intel Corporation

3 is a flowchart of **remote** BIOS upgrade process according an embodiment of ...

The BIOS memory and **firmware** can support booting the Service Partition 204. ...

Methods, systems and computer program products for rule based firmware ...

US Pat. 6976163 - Filed Jul 12, 2000 - International Business Machines Corporation

In the latter scenario, the **remote** computer may be connected ... 1, a **firmware**

update system according to embodiments of the present invention is ...

Remote analysis of process control plant data

US Pat. 6795798 - Filed May 10, 2001 - Fisher-Rosemount Systems, Inc.

The method of claim 1, further comprising the step of transmitting **update**

information from the process plant to the **remote** data processing facility to ...

Multiplexer selecting one of input/output data from a low pin count ...

US Pat. 6718407 - Filed Sep 30, 1999 - Intel Corporation

Remote programming by a host processor 30 requires an interface with the host to

... By incorporating the self-**update** controller to control the **firmware** ...

Method, system, and program for remote copy in an open systems environment

US Pat. 6526419 - Filed Jun 9, 2000 - International Business Machines Corporation

In further embodiments, an **update** from a host to one storage area in the primary

site ... Preferred embodiments provide a methodology for allowing a **remote** ...

Method and apparatus for internetworked wireless integrated network sensor ...

US Pat. 6859831 - Filed Oct 4, 2000 - Sensoria Corporation

This WINS NG application permits **remote** scheduled, verified 25 upgrade and repair

of digital system **firmware**. In addition to eliminating recalls that ...

Automated software upgrade utility

US Pat. 6976062 - Filed Sep 18, 2000 - Intermec IP Corp.

The upgrade utility may reside at **remote** sites, such as the product owner's place

of business, and periodically query the product provider for **firmware** 5 ...

Method for configuring a piece of equipment with the use of an associated ...

US Pat. 6792452 - Filed May 10, 2000 - L.V. Partners, L.P.

... the same generic MRC 3406 (indicating a **firmware update**) attached thereto.

... a **remote** location on the network and an association stored at the **remote** ...

Apparatus for internetworked hybrid wireless integrated network sensors (WINS)

US Pat. 6826607 - Filed Oct 4, 2000 - Sensoria Corporation

This WINS NG application permits **remote** scheduled, verified 25 upgrade and repair

of digital system **firmware**. In addition to eliminating recalls that ...

Method and apparatus for distributed signal processing among internetworked ...

US Pat. 6832251 - Filed Oct 4, 2000 - Sensoria Corporation

In addition to eliminating recalls that require **firmware** upgrade, this ultimately

... entire operating system (OS) and other software components to **remote**,... .

Remote communications server system

US Pat. 6359894 - Filed Dec 23, 1999 - Multi-Tech Systems, Inc.

The **firmware** addresses the various cards in the system and the devices on ...

If the boot detects a Flash **update** start sequence, the boot code will begin ...

Dynamic bandwidth monitor and adjuster for remote communications with a ...

US Pat. 6564104 - Filed Dec 20, 2000 - Medtronic, Inc.

The ability to **update** control system software and hardware at a central location

is also provided, as well as the ability to upgrade the **firmware** or ...

Automatic configuration of equipment software

US Pat. 6704864 - Filed May 10, 2000 - L.V. Partners, L.P.

47 48 to a specific device ID 3704 (of a piece of equipment 3400) **remote** ...

The method of claim 3, wherein the software **update** is location on the VWS 2504 ...

Apparatus and method for seamlessly upgrading the firmware of an intelligent ...

US Pat. 6813571 - Filed Aug 15, 2001 - Power Measurement, Ltd.

9 depicts a block diagram of the internal circuitry of ing the **update** code to

... the operation by the **remote** CPU (in a computer or other device). circuitry ...

System and method providing distributed welding architecture

US Pat. 6624388 - Filed Jan 25, 2001 - The Lincoln Electric Company

As illustrated, the **remote** system 310 may include a plurality of sockets 346-354

... The database 480 may include stored weld programs, **firmware** and/or ...

Method and apparatus for updating new versions of firmware in the background

US Pat. 6944854 - Filed Nov 30, 2000 - International Business Machines Corporation

Currently, the operating system cannot be loaded until this **firmware update** is

finished. Thus, the user may have to wait an hour or more before the system ...

System and method for updating firmware

US Pat. 7055148 - Filed Dec 7, 2000 - Hewlett-Packard Development Company, L.P.

The computer system of claim 11, wherein the **firmware update** logic and the ...

to report to a **remote** system whether the **firmware** revision can successfully ...

Remote data facility prefetch

US Pat. 6557079 - Filed Dec 20, 1999 - EMC Corporation

The nonvolatile memory stores **firmware** 68 and parameter data in a parameter ...

in particular caching **update** information provided by the host interface 28 ...

Online control of a multiprocessor computer system

US Pat. 6681282 - Filed Aug 31, 2000 - Hewlett-Packard Development Company, L.P.

It is dependent upon the Server Management **Firmware** for: Loading Retrieving ...

Firmware Update Platform Debug Utility Initialization The Server Management ...

Method for collecting and processing data using internetworked wireless ...

US Pat. 7020701 - Filed Oct 4, 2000 - Sensoria Corporation

This WINS NG application permits **remote** scheduled, verified 40 upgrade and repair

of digital system **firmware**. In addition to eliminating recalls that ...

Apparatus for interconnecting local area network workstations to an ...

US Pat. 6425013 - Filed Jan 7, 1999 - Nortel Networks Limited

The mechanism for **firmware** upgrade using a **remote** LAN PC is shown in FIG. 2. ...
The "**UPDATE**" action of the interactive control program facilities properly ...

Integrated internet/intranet camera

US Pat. 6930709 - Filed Dec 3, 1998 - PENTAX of America, Inc.

Accordingly, a user may view and/or change any of the variables or parameters in the menu/storage structure, or even **update** the entire **firmware** set or parts ...

Remote computer communication

US Pat. 6538996 - Filed Apr 25, 2000 - Enterasys Networks, Inc.

Depending on which of these Internet necessary to install the new **firmware**.
addresses are accessible from **remote** computer 100, pre- If prescriber 560 is ...

Method and system for master to master communication in control systems

US Pat. 6744771 - Filed Jun 9, 1999 - AMX Corporation

2) is used to **update** the software and **firmware** 57 on master controller 28. ...
to a **remote** master controller distinct from said first master controller. 8. ...

Combining computer programs

US Pat. 7065531 - Filed Mar 12, 2002 - Hewlett-Packard Development Company, L.P.

The **remote** devices 140 and 150 resource program 116 is stored at byte 3000001 in ...
... For example, the **firmware update** file is ing the MP program 118 and the ...

Wireless game control system

US Pat. 6684062 - Filed Oct 25, 2000 - Eleven Engineering Incorporated

A system as in claim 1 that allows for the upgrade of the **firmware** of the ...
A radio frequency wireless system for **remote** operation of an electronic game ...

Computer system having **remote** wake-up function and **remote** wake-up method thereof

US Pat. 6366957 - Filed Mar 5, 1999 - Samsung Electronics Co., Ltd.

An operator can use the supervisory computer system to **update** the software ...
FOR SECURE **REMOTE** PROGRAMMING OF **FIRMWARE** AND CONFIGURATIONS OF **FIRMWARE** AND ...

Method for updating a printer **firmware**

US Pat. 6467087 - Filed Dec 16, 1999 - Destiny Technology Corporation

Using the method, the users can self- **update** the **firmware** of the printer, ...
1 shows printer **firmware** flows from a **remote** server to a printer when updating ...

Wireless roadway monitoring system

US Pat. 6662099 - Filed May 22, 2001 - Massachusetts Institute of Technology

For example, if two sensors 10 communicating with the same **remote** ... receiving
updated system **firmware**). Since the receive capability represents another ...

Information network interrogation of an implanted device

US Pat. 6480745 - Filed Dec 18, 2000 - Medtronic, Inc.

The ability to **update** 35 control system software and hardware at a central location
is also provided, as well as the ability to upgrade the **firmware** or ...

Video eavesdropping and reverse assembly to transmit video action to a ...

US Pat. 6476854 - Filed Oct 18, 1996 - Compaq Information Technologies Group, L.P.

The video display of the **remote** computer C is available to the local computer
190 from power up. Special system **firmware** provides the **remote** console ...

Patents 1 - 50 on remote firmware (update OR upgrade). (0.19 seconds)

Automatic remote firmware upgrade [Sort by relevance](#) | [Sort by date \(new first\)](#) | [Sort by date \(old first\)](#)

US Pat. 6930785 - Filed Mar 17, 2000 - Hewlett-Packard Development Company, L.P.

The **remote firmware upgrade** process begins at point 22, wherein the imaging system is configured. The imaging system **firmware** can configure an **update** value ...

Modem with firmware upgrade feature

US Pat. 6526092 - Filed Jan 6, 2000 - Multi-Tech Systems, Inc.

However, for R&D or manufacturing purposes it may be necessary to **update** or ... the **remote** PC to exit data communications software and process the **upgrade** ...

Modem with firmware upgrade feature

US Pat. 6341143 - Filed Jan 3, 1995 - Multi-Tech Systems, Inc.

However, for R&D or manufacturing purposes it may be necessary to **update** or ... the **remote** PC to exit data communications software and process the **upgrade** ...

System for secure controlled electronic memory updates via networks

US Pat. 6546492 - Filed Mar 26, 1999 - Ericsson Inc.

7 is for the scenario when the **update** server 28 only has one software/**firmware** level to transmit to any of the **remote** units 22. Under such a scenario, ...

Method and apparatus for configuring configurable equipment with ...

US Pat. 6725260 - Filed May 10, 2000 - L.V. Partners, L.P.

28A and 28B, there is illustrated a flowchart for the process for obtaining a **firmware update** by scanning an MRC 1606 of a document, in response to which ...

Method and apparatus for synchronizing firmware

US Pat. 6678741 - Filed Apr 9, 1999 - Sun Microsystems, Inc.

One such arrangement is that where a **remote** client computer station ... Problems may arise when a user attempts to install or **update firmware** on their ...

Remote maintenance method of an information processing apparatus

US Pat. 7007077 - Filed Sep 6, 2000 - Hitachi, Ltd.

Upon receiving the **firmware update** program acquisition request, the **remote** management server 20 checks whether the communications device identification ...

Method and apparatus of remotely updating firmware of a communication device

US Pat. 6640334 - Filed Sep 27, 1999 - Nortel Networks Limited

teaches a data modem with **remote firmware update** capabilities. According to Herb et al., the data modem is provided with a read only memory (ROM), ...

Automatic firmware version upgrade system

US Pat. 6971095 - Filed Feb 20, 2001 - Fujitsu Limited

The maintenance application 100 and the **firmware update** program 104 can be ...
a **remote** device control hardware 204 which receives a power supply (power ...

Hand-held video viewer and **remote** control device

US Pat. 6476825 - Filed Nov 12, 1999 - Clemens Croy

Also, the code for special or new functions may be loaded into the PTVN 200 for temporary or continuous use (software/**firmware update**). ...

Mechanism to safely perform system **firmware update** in logically partitioned ...

US Pat. 6834340 - Filed Mar 1, 2001 - International Business Machines Corporation

The data processing system as recited in claim, wherein the request to **update** the system **firmware** from the first logical partition is received from a **remote** ...

Method and apparatus for **remote update** of clients by a server via broadcast ...

US Pat. 6614804 - Filed Mar 22, 1999 - WEBTV Networks, Inc.

It also will be appreciated that a software **upgrade** may be an alternative version of **firmware** for testing purposes, eg it may be beta or field test software ...

High-end KVM switching system

US Pat. 6388658 - Filed Dec 2, 1999 - Cybex Computer Products Corp.

Remote Firmware Update Advantageously, all programmable electronic devices may be reprogrammed or updated from a **remote** location. ...

Method for collecting data using compact internetworked wireless integrated ...

US Pat. 6735630 - Filed Oct 4, 2000 - Sensoria Corporation

This WINS NG application permits **remote** scheduled, verified 25 **upgrade** and repair of digital system **firmware**. In addition to eliminating recalls that ...

Automatic data collection device having a network communications capability

US Pat. 6539422 - Filed May 3, 1999 - Intermecc IP Corp.

Thus, back up/restore, **firmware upgrade**, application installation and other ...
A **remote** system administrator, such as a system administrator at the **remote** ...

Redundant updatable self-booting **firmware**

US Pat. 6560703 - Filed Apr 18, 2000 - International Business Machines Corporation

In this case, a **firmware update** fault would result in a working boot sector, ...
be coupled to devices operated by the microprocessor 12, a **remote** bus 17, ...

Modem with **firmware upgrade** feature

US Pat. 6928108 - Filed Oct 10, 2001 - Multi-Tech Systems, Inc.

Next, the **remote** PC sends an AT11 command. The AT11 compares it to the checksum ... 11A is run in poses it may be necessary to **update** or reprogram the boot ...

System and method for performing **remote** BIOS updates

US Pat. 6732267 - Filed Sep 11, 2000 - Dell Products L.P.

According to one 45 embodiment, **remote** system 102 follows Intel IA-64 architecture, and partition 138 is an Extensible **Firmware** Interface (EFI) partition. ...

Method and apparatus for internetworked wireless integrated network sensor ...

US Pat. 6859831 - Filed Oct 4, 2000 - Sensoria Corporation

This WINS NG application permits **remote** scheduled, verified 25 **upgrade** and repair

of digital system **firmware**. In addition to eliminating recalls that ...

Method and system for automatic **firmware** updates in a portable hand-held device

US Pat. 6754895 - Filed Apr 26, 2001 - Palm Source, Inc.

In this embodiment, an **update** application is transferred from a first PID 12 to a second PID 14 in order to implement the automatic **firmware** updates. ...

Apparatus for internetworked hybrid wireless integrated network sensors (WINS)

US Pat. 6826607 - Filed Oct 4, 2000 - Sensoria Corporation

This WINS NG application permits **remote** scheduled, verified 25 **upgrade** and repair of digital system **firmware**. In addition to eliminating recalls that ...

Method and apparatus for distributed signal processing among internetworked ...

US Pat. 6832251 - Filed Oct 4, 2000 - Sensoria Corporation

In addition to eliminating recalls that require **firmware upgrade**, this ultimately ... entire operating system (OS) and other software components to **remote**,... .

Automated software **upgrade** utility

US Pat. 6976062 - Filed Sep 18, 2000 - Intermec IP Corp.

The automated **upgrade** utility may reside at **remote** sites, such as the user's place of business, and periodically query the product supplier for **firmware** ...

Remote BIOS upgrade of an appliance server by rebooting from updated BIOS ...

US Pat. 6594757 - Filed Feb 25, 2000 - Intel Corporation

3 is a flowchart of **remote BIOS upgrade** process according an embodiment of ...
The BIOS memory and **firmware** can support booting the Service Partition 204. ...

Methods, systems and computer program products for rule based **firmware** ...

US Pat. 6976163 - Filed Jul 12, 2000 - International Business Machines Corporation

In the latter scenario, the **remote** computer may be connected ... 1, a **firmware update** system according to embodiments of the present invention is ...

Remote analysis of process control plant data

US Pat. 6795798 - Filed May 10, 2001 - Fisher-Rosemount Systems, Inc.

The method of claim 1, further comprising the step of transmitting **update** information from the process plant to the **remote** data processing facility to ...

Multiplexer selecting one of input/output data from a low pin count ...

US Pat. 6718407 - Filed Sep 30, 1999 - Intel Corporation

Remote programming by a host processor 30 requires an interface with the host to ... By incorporating the self-**update** controller to control the **firmware** ...

Method, system, and program for **remote** copy in an open systems environment

US Pat. 6526419 - Filed Jun 9, 2000 - International Business Machines Corporation

In further embodiments, an **update** from a host to one storage area in the primary site ... Preferred embodiments provide a methodology for allowing a **remote** ...

Method for configuring a piece of equipment with the use of an associated ...

US Pat. 6792452 - Filed May 10, 2000 - L.V. Partners, L.P.

... the same generic MRC 3406 (indicating a **firmware update**) attached thereto.
... a **remote** location on the network and an association stored at the **remote** ...

Remote communications server system

US Pat. 6359894 - Filed Dec 23, 1999 - Multi-Tech Systems, Inc.

The **firmware** addresses the various cards in the system and the devices on ...
If the boot detects a Flash **update** start sequence, the boot code will begin ...

Dynamic bandwidth monitor and adjuster for remote communications with a ...

US Pat. 6564104 - Filed Dec 20, 2000 - Medtronic, Inc.

The ability to **update** control system software and hardware at a central location
is also provided, as well as the ability to **upgrade** the **firmware** or ...

Automatic configuration of equipment software

US Pat. 6704864 - Filed May 10, 2000 - L.V. Partners, L.P.

47 48 to a specific device ID 3704 (of a piece of equipment 3400) **remote** ...
One or more 3406 (indicating a **firmware update**) attached thereto. transaction ...

Apparatus and method for seamlessly upgrading the firmware of an intelligent ...

US Pat. 6813571 - Filed Aug 15, 2001 - Power Measurement, Ltd.

This allows the customer FIG- 7 is a flow chart representation of an alternate
way to **upgrade** the **firmware** in their device. Reasons for upgrad- 3J to ...

System and method providing distributed welding architecture

US Pat. 6624388 - Filed Jan 25, 2001 - The Lincoln Electric Company

The configuration object 458 receives the data and proceeds to **upgrade** or modify
the controller **firmware** 472, program 476, and/or operator pro- cedures 490 ...

Method and apparatus for updating new versions of firmware in the background

US Pat. 6944854 - Filed Nov 30, 2000 - International Business Machines Corporation

Currently, the operating system cannot be loaded until this **firmware update** is
finished. Thus, the user may have to wait an hour or more before the system ...

Method for collecting and processing data using internetworked wireless ...

US Pat. 7020701 - Filed Oct 4, 2000 - Sensoria Corporation

This WINS NG application permits **remote** scheduled, verified 40 **upgrade** and repair
of digital system **firmware**. In addition to eliminating recalls that ...

System and method for updating firmware

US Pat. 7055148 - Filed Dec 7, 2000 - Hewlett-Packard Development Company, L.P.

The computer system of claim 11, wherein the **firmware update** logic and the ...
to a **remote** system whether the **firmware** revision can successfully **upgrade** the ...

Remote data facility prefetch

US Pat. 6557079 - Filed Dec 20, 1999 - EMC Corporation

The nonvolatile memory stores **firmware** 68 and parameter data in a parameter ...
in particular caching **update** information provided by the host interface 28 ...

Online control of a multiprocessor computer system

US Pat. 6681282 - Filed Aug 31, 2000 - Hewlett-Packard Development Company, L.P.

It is dependent upon the Server Management **Firmware** for: Loading Retrieving ...
Firmware Update Platform Debug Utility Initialization The Server Management ...

Wireless game control system

US Pat. 6684062 - Filed Oct 25, 2000 - Eleven Engineering Incorporated

A system as in claim 1 that allows for the **upgrade** of the **firmware** of the ...
A radio frequency wireless system for **remote** operation of an electronic game ...

Wireless roadway monitoring system

US Pat. 6662099 - Filed May 22, 2001 - Massachusetts Institute of Technology
For example, if two sensors 10 communicating with the same **remote** ... such as
during a **firmware upgrade**, could be negotiated during the routinely occurring ...

Apparatus for interconnecting local area network workstations to an ...

US Pat. 6425013 - Filed Jan 7, 1999 - Nortel Networks Limited
The mechanism for **firmware upgrade** using a **remote** LAN PC is shown in FIG. 2. ...
The "UPDATE" action of the interactive control program facilitates properly ...

Integrated internet/intranet camera

US Pat. 6930709 - Filed Dec 3, 1998 - PENTAX of America, Inc.
Accordingly, a user may view and/or change any of the variables or parameters in
the menu/storage structure, or even **update** the entire **firmware** set or parts ...

Remote computer communication

US Pat. 6538996 - Filed Apr 25, 2000 - Enterasys Networks, Inc.
Depending on which of these Internet necessary to install the new **firmware**.
addresses are accessible from **remote** computer 100, pre- If prescriber 560 is ...

Method and system for master to master communication in control systems

US Pat. 6744771 - Filed Jun 9, 1999 - AMX Corporation
2) is used to **update** the software and **firmware** 57 on master controller 28. ...
to a **remote** master controller distinct from said first master controller. 8. ...

Combining computer programs

US Pat. 7065531 - Filed Mar 12, 2002 - Hewlett-Packard Development Company, L.P.
The **remote** devices 140 and 150 resource program 116 is stored at byte 3000001 in
... For example, the **firmware update** file is ing the MP program 118 and the ...

Computer system having **remote** wake-up function and **remote** wake-up method thereof

US Pat. 6366957 - Filed Mar 5, 1999 - Samsung Electronics Co., Ltd.
An operator can use the supervisory computer system to **update** the software ...
FOR SECURE **REMOTE** PROGRAMMING OF **FIRMWARE** AND CONFIGURATIONS OF **FIRMWARE** AND ...

Method for updating a printer **firmware**

US Pat. 6467087 - Filed Dec 16, 1999 - Destiny Technology Corporation
Using the method, the users can self- **update** the **firmware** of the printer, ...
1 shows printer **firmware** flows from a **remote** server to a printer when updating ...

Information network interrogation of an implanted device

US Pat. 6480745 - Filed Dec 18, 2000 - Medtronic, Inc.
The ability to **update** 35 control system software and hardware at a central location
is also provided, as well as the ability to **upgrade** the **firmware** or ...

Video eavesdropping and reverse assembly to transmit video action to a ...

US Pat. 6476854 - Filed Oct 18, 1996 - Compaq Information Technologies Group, L.P.
The video display of the **remote** computer C is available to the local computer
190 from power up. Special system **firmware** provides the **remote** console ...

Patents

Patents 1 - 50 on (firmware OR software) update server public key. (0.17 seconds)

System for secure controlled electronic memory updates via networks [Sort by relevance](#) | [Sort by date \(new first\)](#) | [Sort by date \(old first\)](#)

US Pat. 6546492 - Filed Mar 26, 1999 - Ericsson Inc.

If the **public key** is not contained in the database of the **update server** 28, ...
however, the message will contain the current **software/firmware** level of the ...

Method and apparatus for obtaining status of public key certificate updates

US Pat. 6442688 - Filed Aug 29, 1997 - Entrust Technologies Limited

For example, the end-user cryptographic **software** may be the Entrust/Client ...

The **server** 12, after receiving the **public key update** subscription information ...

Digital wireless telephone system for downloading software to a digital ...

US Pat. 6587684 - Filed Jul 28, 1998 - Bell Atlantic Nynex Mobile

If the transmitted security **key** does not match the stored secret **key** in step

.... The **update server** 26 initiates a secure link in step 172 and sends a menu ...

Computer-based communication system and method using metadata defining a ...

US Pat. 6088717 - Filed Aug 31, 1998 - OneName Corporation

If the **software** company objects 1310 can use **update** control to change they ...

It may also use a large **public key** or keys that are publicly verifiable via ...

Method and apparatus for synchronizing firmware

US Pat. 6678741 - Filed Apr 9, 1999 - Sun Microsystems, Inc.

Y of particular **software** from a particular **firmware** computer or **server**. ...

The client (ie HID) is provided with a **public key** associated with the private ...

Computer-based communication system and method using metadata defining a ...

US Pat. 5862325 - Filed Sep 27, 1996 - Intermind Corporation

Only after the authentication service object 1310 has verified the signature of

its **update** will it inherit its new **public key**. ...

Computer-based communication system and method using metadata defining a ...

US Pat. 6345288 - Filed May 15, 2000 - OneName Corporation

Only 20 after the authentication service object 1310 has verified the signature

of its **update** will it inherit its new **public key**... .

Automatic updating of diverse software products on multiple client computer ...

US Pat. 6151643 - Filed Jun 7, 1996 - Networks Associates, Inc.

The client computer 101 also verifies that the **software update** files are not
corrupted. ... such as **public key** systems supporting digital signatures, ...

Method for identifying and obtaining computer software from a network computer

US Pat. 6049671 - Filed Apr 18, 1996 - Microsoft Corporation

Software sent from a **server** application on a **server** 50 computer or from an **update**
... by the network browser 110 decrypts with a **public** RSA decryption **key**...

System and method for modifying **software** residing on a client computer that ...

US Pat. 6457076 - Filed Sep 13, 2000 - Networks Associates Technology, Inc.

The client computer 101 also verifies that the **software update** files are not corrupted. ... such as **public key** systems supporting digital signatures, ...

Public key cryptography based security system to facilitate secure roaming ...

US Pat. 6317829 - Filed Jun 19, 1998 - Entrust Technologies Limited

3, the security management **server** includes a decryption private **key** generator
... device may **update** per user security data for the **public** repository unit. ...

Method for the secure distribution of electronic files in a distributed ...

US Pat. 5638446 - Filed Aug 28, 1995 - Bell Communications Research, Inc.

Therefore, if "**public key**" cryptography as disclosed and implemented by another
... bilateral communication. party user of the **software update** has no way of ...

Method and system for protecting a computer using a remote e-mail scanning ...

US Pat. 6701440 - Filed Jan 6, 2000 - Networks Associates Technology, Inc.

One **key** is a **public key** that the user disseminates to those from whom the user
... POP E-Mail Service **Server** 104 After a new user account is created via the ...

Object-based on-line transaction infrastructure

US Pat. 6757710 - Filed Feb 5, 2002 - OneName Corporation

Only 20 after the authentication service object 1310 has verified the signature
of its **update** will it inherit its new **public key**...

Universal access multimedia data network

US Pat. 6101182 - Filed Nov 25, 1997 - Bell Atlantic Network Services, Inc.

This may advantageously be in the form of a **public key** encryption and ...
Following the IP "Accept" a DNS **Update** occurs. The DHCP **server** informs the DNS ...

Universal access multimedia data network

US Pat. 5790548 - Filed Apr 18, 1996 - Bell Atlantic Network Services, Inc.

8 which of a **public key** encryption and authentication using MD5 in a, e absence
of another **update**. the DHCP packet This architecture permits the user to ...

System and method for monitoring **software**

US Pat. 6799277 - Filed Mar 27, 2001 - z4 Technologies, Inc.

An appropriate web **server** may then be used to administer the **update** process as
... The **public key** is preferably stored within the executable code of the ...

Computer security

US Pat. 6298445 - Filed Apr 30, 1998 - Netect, Ltd.

The authenticity of the **software** enhancement works for either an **update** or a new
... The fifth module 90 uses a **key** distribution center or a **public key** to ...

Universal access multimedia data network

US Pat. 6452925 - Filed Jun 26, 2000 - Verizon Services Corp.

This may advantageously be in the form of a **public key** encryption and ...
Following the IP "Accept" a DNS **Update** occurs. The DHCP **server** informs the DNS ...

Sender driven certification enrollment system

US Pat. 6651166 - Filed Apr 9, 1998 - Tumbleweed Software Corp.

The recipient **software** component, upon retrieval of the **public key** 32 for the ...
... The certificate **server** 88 also 65 includes **update** ability, which allows a ...

Method and apparatus for licensing computer programs using a DSA signature

US Pat. 6078909 - Filed Nov 19, 1997 - International Business Machines Corporation

The **server** machine contains the necessary structures and data to allow the ...
The **public key** is distributed with the **software** to be licensed while the ...

Methods, systems and computer program products for rule based firmware ...

US Pat. 6976163 - Filed Jul 12, 2000 - International Business Machines Corporation

The signature of the first certificate in the chain is then decrypted utilizing
the **public key** available to the **update** program (block 452). ...

Electronic transfer system and method

US Pat. 5870473 - Filed Dec 14, 1995 - CyberCash, Inc.

Application data structure is also used to determined whether an **update** to customer
... Field 215A contains an RSA **public key** for **server** computer 100. ...

NIS+ password update protocol

US Pat. 5734718 - Filed Jul 5, 1995 - Sun Microsystems, Inc.

The Password **Update** Process In NIS+, passwords are stored in a password ...
Next, as shown at block 66, the **server's public key** Pd is obtained from the ...

Technique for automatically updating software stored on a client computer in ...

US Pat. 6167567 - Filed May 5, 1998 - 3Com Corporation

8, in addition to depicting the modules shown in ration sub-key 1250 shown in FIG.
.... In response to this request, FTP **server** 82 access, as **update**... .

Method and apparatus for controlling access to confidential data by ...

US Pat. 6438666 - Filed Sep 25, 1998 - Hughes Electronics Corporation

The first applet contains the "**public key**" of the **key server** 120, although it is
not really publicly known. The hardware random source 130 is used to **update** ...

Auditing method and system for an on-line value-bearing item printing system

US Pat. 6868406 - Filed Oct 16, 2000 - Stamps.Com

If there is newer Client **Software**, the Auto **Update Server** downloads the new
patches to the user ... The module returns a package and the meter's **public key**,... .

Method and apparatus for password based authentication in a distributed system

US Pat. 6094721 - Filed Oct 31, 1997 - International Business Machines Corporation

The method of claim 10 wherein step (a) comprises the c. **update** logic configured
to provide a current **key** iden- step of: tifier to the **server** process, ...

INTERNET-BASED METHOD OF AND SYSTEM FOR MONITORING SPACE-TIME COORDINATE ...

US Pat. 6677858 - Filed May 30, 2000 - Reveo, Inc.

2, the game **server**, as well as the game **server's public key** for method for the
... and synchronizing the client machine display **update** cycle in machine 160, ...

Method for the secure remote flashing of a BIOS memory

US Pat. 6009524 - Filed Aug 29, 1997 - Compact Computer Corp
Finally, HUB1 generates a reset to boot to the new flash **firmware update**. ...
One **public key** will correspond to a private **key** known only to the vendor, ...

Method and apparatus for obtaining status of **public key** certificate updates

US Pat. 7073057 - Filed Dec 4, 2001 - Entrust Limited
The **server** 12 mation 30 to the **server** 12. (which may also be referred to as a
certification authority or If the user provided the **public key update** ...

Security improvement method and security system

US Pat. 6711264 - Filed Oct 8, 1999 - Fujitsu Limited
The memorizer 2 stores a **public key** and a private **key** of the user. ... and the
key update property are granted or granted to the user, if the client **server** ...

Secure wireless electronic-commerce system with digital product certificates ...

US Pat. 6223291 - Filed Mar 26, 1999 - Motorola, Inc.
The user connects the web **server** 16 (or 1-800 number), ... EXAMPLE 3 **Software**
Patch **Update A software** patch is issued to the field to be installed in an ...

Apparatus for providing a secure processing environment

US Pat. 6385727 - Filed Sep 25, 1998 - Hughes Electronics Corporation
The first applet contains the "**public key**" of the **key server** 120, although it is
not really publicly known. The hardware random source 130 is used to **update** ...

Method and apparatus for secure distribution of information recorded of ...

US Pat. 6499106 - Filed Jan 15, 1999 - Sony Corporation
A DNS is a **server** used on the Internet to map a domain name to an Internet ...
However, the third party user of the **software update** has no way of knowing ...

Internet-based system for enabling a time-constrained competition among a ...

US Pat. 6659861 - Filed May 26, 2000 - Reveo, Inc.
11 12 login request from the client machine to the login **server**, a connection with a
... 4F2 is a flowchart describing in greater detail a **public key**, ...

Internet-based automatic publishing system

US Pat. 5727156 - Filed Apr 10, 1996 - HotOffice Technologies, Inc.
The response from the **server** might be dependent on the client version and/or ...
GKEY—the client uses this message as part of a **public key** exchange for use ...

Mechanism for facilitating secure storage and retrieval of information on a ...

US Pat. 6141752 - Filed May 5, 1998 - Liberate Technologies
The relationship **server** 111 delivers these ISP name/ **public key** certificates ...
before allowing the ISP 109 to **update** the contents of the smart card 102. ...

Secure wireless electronic-commerce system with wireless network domain

US Pat. 6463534 - Filed Mar 26, 1999 - Motorola, Inc.
The user connects the web **server** 16 (or 1-800 number), ... 8 EXAMPLE 3 **Software**
Patch **Update A software** patch is issued to the field to be installed in an ...

System, method and article of manufacture for a modular gateway **server** ...

US Pat. 6002767 - Filed Jun 17, 1996 - Verifone, Inc.
This is a standard model of distribution of **software** that is customized for ...

the merchant's **public key** certificates are uploaded to the Test Gateway, ...

Electronic authority server

US Pat. 6073242 - Filed Mar 19, 1998 - Agorics, Inc.

Public key cryptography is effective when used by a small number of parties, ...
change their addresses, **update** their **software**, or replace their keys, ...

Method and apparatus for secure distribution of information recorded on ...

US Pat. 6832318 - Filed Jan 15, 1999 - Sony Corporation

A DNS is a **server** used on the Internet to map a domain name to an Internet ...

However, the third 55 party user of the **software update** has no way of knowing ...

Access control and authorization system

US Pat. 6490680 - Filed Dec 4, 1998 - TecSec Incorporated

Also, periodically, the Policy 10 Manager can **update** the Maintenance Split, ...

The Credential Manager **software** will record this **public key** in the database ...

Public network merchandising system

US Pat. 5825881 - Filed Jun 28, 1996 - Allsoft Distributing Inc.

Both the client and the master **key server update** their respective secured keys

... The store manager has a special **software** package that has the ability to ...

Mechanism for users with internet service provider smart cards to roam among ...

US Pat. 6108789 - Filed May 5, 1998 - Liberate Technologies

The relationship **server** 111 delivers these ISP name/ **public key** ... an ISP 109

is required before allowing the ISP 109 to **update** the contents of the smart ...

Method for identifying and obtaining computer **software** from a network ...

US Pat. 6256668 - Filed Oct 9, 1998 - Microsoft Corporation

In addition, 5 local computer to install the grouping of **software** at the ...

application on a **server** prides: computer or from an **update** service in a secure, ...

Determining program **update** availability via set intersection over a sub ...

US Pat. 6151708 - Filed Dec 19, 1997 - Microsoft Corporation

Further, it is expected that some or all of the communications between client

and **server** may be encrypted using well known **public key** encryption or the like ...

Method and system for binding enhanced **software** features to a persona

US Pat. 6891953 - Filed Jun 27, 2000 - Microsoft Corporation

It at step 134, download servers 76 (the fulfillment **server** 84 should have a list

of all installed ... If so, then extension DLL 78 to **update** the cache. ...

Agent based instruction system and method

US Pat. 6427063 - Filed Nov 22, 1999 - Finali Corporation

If the **server** responds that this **software** is not registered or authorized, ...

A student's **public key** can be stored on the ABI system which processes ...

Mechanism for dynamically binding a network computer client device to an ...

US Pat. 6112305 - Filed May 5, 1998 - Liberate Technologies

13 The relationship **server** 111 delivers these ISP name/ **public key** ... is required

before allowing the ISP 109 to **update** the contents of the smart card 102. ...

Agent based instruction system and method

US Pat. 6427063 - Filed Nov 22, 1999 - Finali Corporation

A student's **public key** can be stored on the ABI system which processes ...

In the Server system, MUS is a component function of the System **Manager Software**... .

Secure online music distribution system

US Pat. 6385596 - Filed Feb 6, 1998 - Liquid Audio, Inc.

If the voucher ID is verified, the content **manager** 112 15 encrypts 954 the song's media **key** with the **public key** of the media player 116. ...

System and method for securely utilizing basic input and output system (BIOS ...

US Pat. 6148387 - Filed Jun 18, 1999 - Phoenix Technologies, Ltd.

A **public key** is usually published in the form of a digital "certificate". ...

it uses the function codes of the face (RAPI) 1550 to access or **update** data ...

System and method for access control for portable data storage media

US Pat. 5457746 - Filed Dec 19, 1994 - Spyryus, Inc.

After these attributes are determined by the publisher, the premastering **software** will **update** the publisher **key** database 42 with these parameters. ...

Method and apparatus for obtaining status of **public key** certificate updates

US Pat. 7073057 - Filed Dec 4, 2001 - Entrust Limited

When a change occurs to the **public key** certificate FIG. ... the **public key** **update** subscription 30, **manager**, such as the entrust/**manager software** produced by ...

Electronic document delivery system in which notification of said electronic ...

US Pat. 5790790 - Filed Oct 24, 1996 - Tumbleweed Software Corporation

The system can also help the user generate a **public key** for BFD-use only, and 30 **update** user account information with it, so that the sender does not have ...

Computer security system and method with on demand publishing of certificate ...

US Pat. 6128740 - Filed Dec 8, 1997 - Entrust Technologies Limited

The interface 26 receives the on-demand **update** request data 32 and prompts the security ... authority **public key** as known in the art, as shown in block 72. ...

Secure wireless electronic-commerce system with digital product certificates ...

US Pat. 6223291 - Filed Mar 26, 1999 - Motorola, Inc.

Enrollment is the process by which a user **public key** is certified in a ... the user to create a WIM **software** token to be used to initialize a new WIM card. ...

Method for performing group exclusion in hierarchical group structures

US Pat. 5220604 - Filed Sep 28, 1990 - Digital Equipment Corporation

This mail may be interpreted to add, **update**, or remove the affected hints. ... The smart card now signs a message containing the nonce and **public key** ...

Electronic authority server

US Pat. 6073242 - Filed Mar 19, 1998 - Agorics, Inc.

Public key cryptography is effective when used by a small number of parties, ... change their addresses, **update** their **software**, or replace their keys, ...

Secure online music distribution system

US Pat. 6868403 - Filed Mar 9, 2000 - Microsoft Corporation

If the voucher ID is verified, the content **manager** 112 encrypts 954 the song's media **key** with the **public key** of the media player 116. ...

Secure wireless electronic-commerce system with wireless network domain

US Pat. 6463534 - Filed Mar 26, 1999 - Motorola, Inc.

Enrollment is the process by which a user **public key** is certified in a ... the user to create a WIM **software** token to be used to initialize a new WIM card. ...

Key-based technique for assuring and maintaining integrity of firmware ...

US Pat. 6052803 - Filed Sep 26, 1997 - 3Com Corporation

The secondary router, in turn, will inform Bandwidth **Manager** process 453 accordingly ... PPP daemon process 440 will suitably **update** an entry in SBRT 446 to ...

Encryption and authentication methods and apparatus for securing telephone ...

US Pat. 6266418 - Filed Oct 28, 1999 - L3-Communications Corporation

The negotiation signaling also allows the scss to chose the **public key** modulus size ... a **key manager** that generates first **key** material for encrypting the ...

Determining program **update** availability via set intersection over a sub ...

US Pat. 6151708 - Filed Dec 19, 1997 - Microsoft Corporation

Further, it is expected that some or all of the communications between client and server may be encrypted using well known **public key** encryption or the like ...

Apparatus for distributing subscription and on-demand audio programming

US Pat. 5557541 - Filed Jul 21, 1994 - Information Highway Media Corporation

This can be accomplished by use of any known data encryption scheme, such as a **public key** system (eg RSA), where the subscriber's system is registered to ...

System and method for delivering financial services

US Pat. 5933816 - Filed Aug 7, 1997 - Citicorp Development Center, Inc.

The crypto man component 75 manages secret keys associated with external service providers and performs authentication of **public key** certificates. ...

System for distributing subscription and on-demand audio programming

US Pat. 5572442 - Filed Jul 21, 1994 - Information Highway Media Corporation

This can be accomplished by use of any known data encryption scheme, such as a **public key** system (eg RSA), where the subscriber's system is registered to ...

Access control subsystem and method for distributed computer system using ...

US Pat. 5173939 - Filed Oct 28, 1991 - Digital Equipment Corporation

Alternately, **public key** encryption techniques could be used to secure the ...

It is much simpler to **update** one membership list 120 than to **update** the access ...

System and method for access data control

US Pat. 5703951 - Filed Jun 7, 1995 - Spyryus, Inc.

The encryp- has *e option to apply a cryptographic **update** process to mis ...

The microprocessor can be an off the shelf The **key manager** or data base 42 (see ...

Methods and apparatus for internet based financial transactions with ...

US Pat. 6233565 - Filed Feb 13, 1998 - Saranac Software, Inc.

When the **software** is executed, the 5 cryptographic module 14 enters the ... private **key** and then verify the signature of this quantity using the **public key**... .

System for enabling lazy-revocation through recursive **key** generation

US Pat. 7203317 - Filed Oct 31, 2001 - Hewlett-Packard Development Company, L.P.

The **manager** module 410 may be configured to **update** the metadata of the previous ... of said file by applying a **public key** to said new version of said **key**. ...

System and method for secure provisioning and configuration of a transaction ...

US Pat. 6877093 - Filed Jun 6, 2000 - Commerçant, L.P.

Additionally, or in the alternative, the configuration data may be encrypted with the previously extracted **public key** of the transaction processing 10 ...

System and method for suspending and resuming digital certificates in a ...

US Pat. 6775782 - Filed Mar 31, 1999 - International Business Machines Corporation

Transaction data **manager** 411 is responsible for managing ... 401 is instructed to generate a **public/private key** pair and to return the **public key** to ...

Personal online banking with integrated online statement and checkbook user ...

US Pat. 5903881 - Filed Jun 5, 1997 - Intuit, Inc.

Software Architecture Referring now to FIG. 14, there is shown a model of the ... A **public key** encryption utility provides **public key** encryption for ...

System for remote loading of objects or files in order to **update software**

US Pat. 6240550 - Filed Sep 1, 1998 - Touchtunes Music Corporation
Remote control assembly (31) allows the **manager** from, eg, behind the bar, to access and control various commands such as: the microphone on-off control; ...

Electronic-monetary system

US Pat. 5453601 - Filed Nov 15, 1991 - Citibank, N.A.
In the preferred embodiment, the Network 25 will also provide directories of financial services, and **update** the money module clocks and 5Q the bad money ...

Interface for ensuring system boot image integrity and authenticity

US Pat. 6560706 - Filed Jan 21, 1999 - Intel Corporation
The authorization check is optional and compares a **public key** in the manifest to the **public key** stored in the Remote-Boot Authorization Certificate. ...

System and method for securely utilizing basic input and output system (BIOS ...

US Pat. 6892304 - Filed Oct 3, 2000 - Phoenix Technologies Ltd.
A **public key** is usually published in the form of a digital "certificate". ...
Programming Interface (RAPI) 1550 to access or **update** data located in BIOS ...

Electronic-monetary system

US Pat. 5455407 - Filed Jan 27, 1995 - Citibank, N.A.
In the preferred embodiment, the Network 25 will also provide directories of financial services, and **update** the money module clocks and the bad money module ...

Determining **update** availability via set intersection over a sub-optimal pathway

US Pat. 6789255 - Filed Sep 26, 2000 - Microsoft Corporation
Further, it is expected that some or all of the communications between client and server may be encrypted using well known **public key** encryption or the like ...

Authentication and entitlement for users of web based data management programs

US Pat. 6587836 - Filed Sep 24, 1998 - WorldCom, Inc.
Further functionality integrated into the **software** architecture includes applications such as Outbound Network **Manager**, Call **Manager**, Service Inquiry and ...

Multi-tier digital TV programming for content distribution

US Pat. 6834110 - Filed Dec 10, 1999 - International Business Machines Corporation
A store **manager** application (not shown) in Broadcast Center(s) 1802 is used to ... As part of the installation, a **Public/Private Key** 661 pair is created for ...

Method for the secure remote flashing of a BIOS memory

US Pat. 6009524 - Filed Aug 29, 1997 - Compact Computer Corp
This avoids the common problem where users "upgrade" to obsolete **software**.
For system initialization, overwriting of the administrator's **public key** in the ...

Compound principals in access control lists

US Pat. 5315657 - Filed Sep 28, 1990 - Digital Equipment Corporation
This mail may be interpreted to add, **update**, or remove the affected hints. ...
another nonce, a **public key**, and the certificates retrieved from the naming ...

Apparatus and method for secure transacting

US Pat. 6122625 - Filed Feb 18, 1998 - Citibank, N.A.

The sign-on will be initiated by the money module **Session Manager 31**, ...
also provide directories of financial services, and **update** the money module clocks ...

System and method for updating security information in a time-based ...

US Pat. 5898154 - Filed Jan 11, 1995 - Citibank, N.A.

In the preferred 30 embodiment, the Network 25 will also provide directories of financial services, and **update** the money module clocks and the bad money ...

Java printer

US Pat. 6628413 - Filed May 14, 1997 - Ricoh Company, Ltd.

4 and 5 are schematic illustrations of a queue **manager** for controlling printing
... Secure Socket Layer, **Public Key** Encryption, Symmetric **Key** Encryption, ...

Methods and apparatus for network-enabled virtual printing

US Pat. 6598087 - Filed Sep 8, 1999 - GE Capital Commercial Finance, Inc.

Other known authentication techniques, eg, **public key**— private **key** based ...
data from flat files from various systems in order to **update** a database. ...

Secure access method and system

US Pat. 7110982 - Filed Aug 27, 2001 - DPHI Acquisitions, Inc.

Block 4004 provides that auto-run handler 4104, or a Content **Manager**,...
the circuitry and/or writing the code for the **software** or **firmware** would be well ...

Encryption process including a biometric unit

US Pat. 7111173 - Filed Sep 1, 1999 - Tecsec, Inc.

With the appropriate Credential **manager's public key**, all of which are contained
in each user's credentials, the certificate may be decrypted to recover the ...

System and method for connecting money modules

US Pat. 6047887 - Filed Mar 16, 1998 - Citibank, N.A.

17 backed by demand deposits, or credit authorizations—and digitally signs
these "electronic notes 11" using **public key** cryptography in conjunction with its ...

Method and system for banking institution interactive center

US Pat. 6073119 - Filed Dec 3, 1997 - Citicorp Development Center, Inc.

The Report **Manager** category contains all functions relating to creating and ...
and 2) **update** list by downloading new lists from service or by entering ...

E-service to manage and export contact information

US Pat. 6633311 - Filed Feb 18, 2000 - Hewlett-Packard Company, L.P.

Select **Update** to save the new privacy level. Now, whenever your new **manager**
accesses your Card, she will see all information you have designated as **public**, ...

Software system generation

US Pat. 6314555 - Filed Aug 25, 1998 - British Telecommunications public limited company

6, the **manager** agent of Shop 1 (Agent A1) has two assistants, Agents B1 and C1;
whilst the **manager** agent of Shop 2 (Agent A2) has three assistants Agents B2 ...

Software update manager

[Sort by relevance](#) | [Sort by date \(new first\)](#) | [Sort by date \(old first\)](#)

US Pat. 6282709 - Filed Nov 12, 1997 - Philips Electronics North America Corporation
The **software update manager** 12 can be configured to support ... Next at step 306,
software update manager 12 determines if the selected **software** component ...

Method of synchronizing independently distributed **software** and database schema

US Pat. 6324693 - Filed Aug 17, 1999 - Siebel Systems, Inc.

Update Processing FIG. 3 depicts steps performed by an **update manager** 31 such
... for rollback in the event of **software** or hardware failure, and the like. ...

Method of upgrading a **software** application in the presence of user modifications

US Pat. 6367077 - Filed Aug 19, 1999 - Siebel Systems, Inc.

Update Processing FIG. 3 depicts steps performed by an **update manager** 31 30 ...
for rollback in the event of **software** or hardware failure, and the like. ...

Durable atomic storage **update manager**

US Pat. 5469562 - Filed Jun 26, 1992 - Digital Equipment Corporation

Typically an agent A., is a component within a larger **software** system, ...
updates to persistent storage as part of a fault tolerant **update** set ("FTX"), ...

Durable atomic storage **update manager**

US Pat. 5481699 - Filed Mar 23, 1995 - Digital Equipment Corporation

But a system failure (eg, power supply failure) or hardware or **software** ...
it is the function of the DASUM 14 to ensure durability of **update** information. ...

Play list **manager**

US Pat. 6721489 - Filed Mar 8, 2000 - PhatNoise, Inc.

If in step 552 controller 320 determines that there is a **firmware update** on hard
... In step 612, processor 302 performs the **firmware update** sequence and, ...

Apparatus and method for synchronizing **software** between computers

US Pat. 6425126 - Filed May 19, 1999 - International Business Machines Corporation

Method 300 is performed whenever an **update** controller is informed by the **software**
fix manager that a **software update** will be made, and the **software update** ...

Automatic retrieval of changed files by a network **software agent**

US Pat. 6029175 - Filed Jun 7, 1996 - Teknowledge Corporation

Should the user type in a new Web page address and 60 then click on the checkbox
to the left of "Alert me on source **update** for:", then the Revision **Manager** ...

Information and advertising distribution system and method

US Pat. 5740549 - Filed Jun 12, 1995 - PointCast, Inc.

During both "administrative **update**" and "news story responding categories."
For instance, in the category **manager** computer's local information ...

Technique for automatically updating **software** stored on a client computer in ...

US Pat. 6167567 - Filed May 5, 1998 - 3Com Corporation

Lastly, for redundancy, configuration J Here> once processor 620 has read the **update** script and **manager** 635, as shown in FIG. 6, will also store, ...

Communications involving disparate protocol network/bus and device subsystems

US Pat. 6430164 - Filed Nov 1, 1999 - Cellport Systems, Inc.

Upon receiving the new configuration or **software update**, the configuration **manager** 180 is responsible for extracting changes from the configuration in the ...

Logical volume **manager** and method having enhanced **update** capability with ...

US Pat. 5897661 - Filed Feb 25, 1997 - International Business Machines Corporation

In a programmed, general purpose digital computer having a memory and coupled to data storage devices, a logical volume **manager** having computer **software** ...

Method and system for detecting viruses on handheld computers

US Pat. 6842861 - Filed Mar 24, 2000 - Networks Associates Technology, Inc.

The **update** conduit 220 first instructs the file transfer **manager** to collect **software** information from the handheld computer ...

Multi-user flash ROM **update**

US Pat. 6279153 - Filed Jan 15, 1997 - NEC Corporation

In addition, the Viewer **Manager software** 200 also receives digitized data from a digitizer 280, which, in turn, receives digitized data from 45 stylus input ...

Software manager for administration of a computer operating system

US Pat. 5933646 - Filed May 10, 1996 - Apple Computer, Inc.

To provide such notification, and to **update** the configuration database to reflect environment changes, the **software manager** server 60 utilizes a collection ...

Software updating and distribution

US Pat. 6047129 - Filed Mar 3, 1998

... and d. **update software** on the at least one computer in accordance with the ... network **manager**, c. receive from the network **manager** an **update** procedure, ...

Method and apparatus for automatically updating **software** components on end ...

US Pat. 6009274 - Filed Jun 24, 1997 - 3Com Corporation

The mechanism is generalizable and may be used to automatically **update** any number of ... the Automatic **Software Upgrade Manager** (ASU Mgr.) is created. ...

Radio flash **update**

US Pat. 6126327 - Filed Oct 16, 1995 - Packard Bell NEC

In addition, the Viewer **Manager software** 200 also receives digitized ... The Viewer **Manager software** 20 200 uses the digitized data to provide visual ...

Distribution of **software** updates via a computer network

US Pat. 6199204 - Filed Sep 22, 1998 - International Business Machines Corporation

If at 45 close(Filehandle)' **manager** to inform him/her of the requirement for a ... The Example of **Update** Synchronisation 55 following sequence of actions ...

Method and a mechanism for synchronized updating of interoperating **software**

US Pat. 6202207 - Filed Aug 19, 1998 - International Business Machines Corporation

The required resources are the **software update** artifacts required to bring the current appli- 50 cation **software** to the new level, and the **software updates** ...

System and method for creating a substitute registry when automatically ...

US Pat. 6301710 - Filed Jan 6, 1999 - Sony Corporation

Update program 520 preferably includes **software** instructions that, when installed ... driver component 514(a), and a connectivity **manager** component 512(a). ...

Software overload control method

US Pat. 5440741 - Filed Sep 20, 1993 - Motorola, Inc.

When an input is received, the the resource **manager** 126 issues a resource **update** inventory monitor 122 determines the input type (172). notification 157 to ...

Methods, systems and computer program products for secure **firmware updates**

US Pat. 6266809 - Filed Aug 15, 1997 - International Business Machines Corporation

4a, the **update** process begins by the server determining if the network computer (NC) requires a **firmware update** (block 320). This determination may be made ...

System and method for using a substitute directory to automatically install ...

US Pat. 6408434 - Filed Jan 7, 1999 - Sony Corporation

Update program 520 preferably includes **software** instructions that, when installed ... a connectivity driver file 514, and a connectivity **manager** file 512. ...

Method for synchronizing plurality of time of year clocks in partitioned ...

US Pat. 6711693 - Filed Aug 31, 2000 - Hewlett-Packard Development Company, L.P.

The time for System **Software** to read or write the cation between the ... External are **Firmware Update** commands which transfer information or control to/from ...

Method and apparatus for managing **software** in a network system

US Pat. 6330715 - Filed May 19, 1998 - Nortel Networks Limited

If the process fails, NS **software manager** 220 will repeat the process until the **update** is successful. Similarly, communication protocols are not changed ...

Multiple processor system having **software** for selecting shared cache entries ...

US Pat. 5493668 - Filed Mar 30, 1992 - International Business Machines Corporation

For an **update** request, the buffer **manager** causes the local 45 buffer content to be updated (1701). A determination is then made as to whether or not the ...

Software package management

US Pat. 6381742 - Filed Jun 19, 1998 - Microsoft Corporation

The package **manager** checks the name and version of the **software** package ... the **update** process for the code store data structure, the package **manager** scans ...

Networked personal contact **manager**

US Pat. 6269369 - Filed Nov 2, 1997 - Amazon.Com Holdings, Inc.

The server personal contact **manager software** 343 will then use the web server ... In response to the **update**, the personal contact **manager** 343 running on the ...

Communication system for distributing such message as advertisement to user ...

US Pat. 6351745 - Filed Aug 27, 1998 - NetZero, Inc.

If the message distribution apparatus 39 determines that the **software** is to be ... When the message **manager** 24 controls sending the **update** information, ...

System for remote loading of objects or files in order to **update software**

US Pat. 6240550 - Filed Sep 1, 1998 - Touchtunes Music Corporation

The JEEP module also contains a reboot **manager** that is responsible for changing ... of objects or files in order to **update software** according to claim 1, ...

Server computer for selecting program updates for a client computer based on ...

US Pat. 5752042 - Filed Jun 7, 1996 - International Business Machines Corporation

The client 14 includes an **update manager** program 32 (including a GUI), ...

The basic system information comprises system model, pre-load **software** level. ...

Distributed management support system for **software managers**

US Pat. 4751635 - Filed Apr 16, 1986 - Bell Communications Research, Inc.

Thereafter, the **manager**, using **software** 20 resident at the workstation, ...

within planning system 51, and is then used to **update** relational database 435. ...

Apparatus and method for synchronizing **software** between computers

US Pat. 6968550 - Filed Jan 18, 2002 - International Business Machines Corporation

Method 300 is performed whenever an **update** controller is informed by the **software**

fix **manager** that a **software update** will be made, and the **software update** ...

Automatic **software** installation on heterogeneous networked client computer ...

US Pat. 5742829 - Filed Mar 10, 1995 - Microsoft Corporation

The **software update** functionality performed by the centralized ... Wash., the "LAN

MANAGER" network operating system also available from Microsoft ...

Customer billing relationships **software**

US Pat. 6337901 - Filed Oct 15, 1999 - BellSouth Intellectual Property Corporation

Account **Update** Interface 220 executes on one of the application or database servers.

Package **Manager** Interface 222 gives Customer Billing Relationships ...

Update mechanism for computer storage container **manager**

US Pat. 5873097 - Filed Dec 17, 1996 - Apple Computer, Inc.

20 illustrates major structures of an **update** container in persistent storage ...

to the view which the container **manager software** provides to an application ...

Separately storing core boot data and cluster configuration data in a server ...

US Pat. 6453426 - Filed Mar 26, 1999 - Microsoft Corporation

However, the cluster **software** views the mirror set storage as a single storage

device and is ... A global **update manager** 90 operates to provide a global, ...

Remote password administration for a computer network among a plurality of ...

US Pat. 5611048 - Filed May 9, 1994 - International Business Machines Corporation

Generally, the **software** configuration is known as the LAN Adapter and ... ie the

output data area is searched for password **update** results such as the ...

End to end simulation of a content delivery system

US Pat. 6886029 - Filed Sep 21, 2001 - Panamsat Corporation

After performing the softwareupdate command, the data 50 **manager software** may

record in the database a notation as to whether or not the **update** has been ...

Software cache management of a shared electronic store in a simplex

US Pat. 5457793 - Filed Mar 30, 1992 - International Business Machines Corporation

For an **update** request, the **buffer manager** causes the local buffer content to be updated (620). A determination is then made as to whether or not the data is ...

Metering data transfer between end systems

US Pat. 6760416 - Filed Apr 27, 2000 - Hewlett-Packard Development Company, L.P.
It may be noted that whilst in the CB 11 the address book synchronisation ('AB Sync') protocol entity 120 and the **firmware** updating ('FIW Update') protocol ...

Mini driver **software** architecture for a data acquisition system

US Pat. 5926775 - Filed Oct 8, 1997 - National Instruments Corporation
Inside the mini-driver primitive, the **STC Manager** is called to determine how the **update** 65 clock was currently set up. If the **update** clock was set Up for ...

Modular application **software** and data providing mobility in ...

US Pat. 5826019 - Filed Jan 29, 1996 - Telefonaktiebolaget LM Ericsson
The transaction **manager** 501 controls the process of updating transactions in response to an **update** request from the application module. ...

Selection of code updates, data updates or new data for client

US Pat. 6074434 - Filed Mar 7, 1997 - International Business Machines Corporation
A code updates are actually installed, the **update manager** 32 user at client ...
basic input output system (BIOS) **firmware**, using transport protocol (FTP). ...

Method and apparatus for upgrading a **software** application in the presence of ...

US Pat. 7076778 - Filed Feb 22, 2002 - Siebel Systems, Inc.
event of **software** or hardware failure, and the like. These SQL statement that
... An **update manager** 11 executing in central computer a particular Node 21. ...

Gaming terminal data repository and information distribution system

US Pat. 6645077 - Filed Dec 21, 2000 - IGT
For instance, the event **manager** 312 may be used to monitor and distribute events
... The second version may be a **software update** of the first version. ...

Method of maintaining asynchronous real-time data

US Pat. 5023832 - Filed Jan 12, 1989 - Honeywell Inc.
If a custom **update** procedure has been specified, the specified procedure is performed (block 275), and the **software manager** then proceeds back to made ...

Method for dynamically updating master controllers in a control system

US Pat. 6609127 - Filed Jun 9, 1999 - AMX Corporation
2) is used to 15 file- **update** the **software** and **firmware** 57 on master ...
loadable object Once the **software** and/or **firmware** have been updated, the **manager** to ...

Database management system which synchronizes an enterprise server and a ...

US Pat. 6092083 - Filed Aug 17, 1999 - Siebel Systems, Inc.
In step 103, the **update manager** 31 accepts from the user input 33 in the form
... for rollback in the event of **software** or hardware failure, and the like. ...

Method and apparatus for synchronizing firmware

[Sort by relevance](#) | [Sort by date \(new first\)](#) | [Sort by date \(old first\)](#)

US Pat. 6678741 - Filed Apr 9, 1999 - Sun Microsystems, Inc.

Y of particular **software** from a particular **firmware** computer or **server**. ...

The client (ie HID) is provided with a **public key** associated with the private ...

Internet-based system for enabling a time-constrained competition among a ...

US Pat. 6659861 - Filed May 26, 2000 - Reveo, Inc.

4F2 is a flowchart describing in greater detail a **public key**, ... **synchronization** unit; message from the game **server** to the primary **server** contains 40 FIG. ...

Global **synchronization** unit (GSU) for time and space (TS) stamping of input ...

US Pat. 6903681 - Filed May 25, 2000 - Reveo, Inc.

11 ID, a game **server** access code, and a client machine **public key**, ...

and synchronizing the client machine display **update** cycle in connection with a system ...

INTERNET-BASED METHOD OF AND SYSTEM FOR MONITORING SPACE-TIME COORDINATE ...

US Pat. 6677858 - Filed May 30, 2000 - Reveo, Inc.

2, showing **update** cycle in connection with a system that does not a of the

components 60 auction **server**, as well as the auction **server's public key** for ...

Electronic document delivery system in which notification of said electronic ...

US Pat. 5790790 - Filed Oct 24, 1996 - Tumbleweed Software Corporation

The system can also help the user generate a **public key** for BFD-use only, and 30

update user account information with it, so that the sender does not have ...

Method for performing group exclusion in hierarchical group structures

US Pat. 5220604 - Filed Sep 28, 1990 - Digital Equipment Corporation

This mail may be interpreted to add, **update**, or remove the affected hints. ...

The smart card now signs a message containing the nonce and **public key** ...

System and method for access control for portable data storage media

US Pat. 5457746 - Filed Dec 19, 1994 - Spyryus, Inc.

The publisher application is responsible for **synchronization** of **key** ...

the premastering **software** will **update** the publisher **key** database 42 with these ...

Automatically configuring a **server** into a master or slave **server** based on ...

US Pat. 6889248 - Filed Apr 12, 2000 - Sun Microsystems, Inc.

If the master **server** 101 does not have the **key**, then no **synchronization** is possible.

... In one embodiment, if there has been an **update** to the **software**,... .

Portable electronic authorization system and method

US Pat. 7080037 - Filed Oct 1, 2001 - Chameleon Network Inc.

For example, one of the asymmetric-**key** encryption types, such as **public key** ...
and the communication **software** 2710 to **update** settings on the network **server** ...

Method and apparatus for **synchronization** of connectionless applications ...

US Pat. 6061741 - Filed Jun 20, 1997 - International Business Machines Corporation

Server 102 stores the CRC **Key** ID and assigned port number in an internal ...
In step 166, **server** 102 calls virtual terminal apis 120 to **update** the terminal ...

System and method for automatically sharing information between handheld devices

US Pat. 6832242 - Filed Dec 28, 2000 - Intel Corporation

Public-key cryptography and/or a digital certificate may, for example, ...
50 In the web **server** 10, the **update** user profiles portion 40 accepts interest ...

Method, product, and apparatus for processing reusable information

US Pat. 6442549 - Filed Nov 15, 1999

or confidential (eg classified or top secret government information, trade secret
information or the like) material which carries an encryption (**public-key**,... .

Compound principals in access control lists

US Pat. 5315657 - Filed Sep 28, 1990 - Digital Equipment Corporation

This mail may be interpreted to add, **update**, or remove the affected hints. ...
another nonce, a **public key**, and the certificates retrieved from the naming ...

Enforcement architecture and method for digital rights management system for ...

US Pat. 7203966 - Filed Jun 27, 2001 - Microsoft Corporation

The **public key** is made available to the license **server** for purposes of encrypting
... contact with the license **synchronization server** in order to **update** the ...

System and method for access data control

US Pat. 5703951 - Filed Jun 7, 1995 - SpyruS, Inc.

This allows the publisher and encryption **key** and is used to execute the encryption.
subscriber to maintain synchronized keys and **update** Signature and **key** ...

System and method for electronically exchanging value among distributed users

US Pat. 7089208 - Filed Apr 28, 2000 - PayPal, Inc.

When a user installs new **software** (eg, a new version), uncleared transactions
may be automatically cleared (with **synchronization server** 106) or archived. ...

Mobile IP mobility agent standby protocol

US Pat. 6195705 - Filed Jun 30, 1998 - Cisco Technology, Inc.

In a preferred embodiment, the message used **update** the standby router of ...
Synchronization of such a group would typically require multicast addressing. ...

Mobile IP mobility agent standby protocol

US Pat. 6487605 - Filed Nov 14, 2000 - Cisco Technology, Inc.

After the active Home Agent has sent the appropriate registration **update**
Synchronization of such a group would typically require multicast addressing. ...

System and apparatus for storage and transfer of secure data on web

US Pat. 6985953 - Filed Nov 30, 1999 - George Mason University

Furthermore, if it is necessary, the verification **server** can **update** some information

... maintenance and **synchronization** of this information is burdensome. ...

Securely and autonomously synchronizing data in a distributed computing ...

US Pat. 6754678 - Filed Dec 20, 2000 - California Institute of Technology

Since peer 1 verified peer 2's **public key** using the certificate ... Second, the **update** must be accessible by only the right people and there is no way to ...

Methods and systems for single sign-on authentication in a multi-vendor e ...

US Pat. 6898577 - Filed Mar 18, 1999 - Oracle International Corporation

Web-enabled device (such as a personal computer, for example) and the Web Vendor's **server**. For example, a **public key** encryption scheme may be used as the ...

Transport logistics systems and methods

US Pat. 6915268 - Filed Jul 27, 2001 - Odyssey Logistics & Technology Corporation

The processes to propose **update** and maintain existing against which ...

Analysis Tools 402 provide analytical The rates and routes **synchronization** process ...

Channel equalization system and method

US Pat. 6904110 - Filed May 1, 2001

The regulator is designed as a regulation system which consists of both hardware and **software** components. 40 **Key** Features for "uninet™ Regulator (R)" when ...

Method and system for a set of network appliances which can be connected to ...

US Pat. 7159022 - Filed Jan 25, 2002 - American Power Conversion Corporation

This list may be used to **update** the list of appliances known by the ... DCE, NIS) or mechanisms (digital signatures, **public-private key** encryption). ...

Data **synchronization** method for maintaining and controlling a replicated data

US Pat. 6389423 - Filed Dec 3, 1999 - Mitsubishi Denki Kabushiki Kaisha

The **server** 104 is connected to the internet 103 and the general **public** line ...

4 follows: data objects 401; an **update** log data 402; an **update** message 403; ...
